

PRODUCT END-OF-LIFE NOTICE

NORDIC ID NUR-10W

This EOL is subsequent to the streamlining of Nordic ID product portfolio and to the discontinuation of one key component used by these modules. We realize that a product discontinuation may cause some inconvenience to our customers. In order to make the transition to an alternative device as smooth as possible, our sales and technical support teams are ready to help and to answer any questions in relation to our products and solutions.
